

**Green Kirkland Partners** have a working relationship with us and they have compatible values, goals, and mutual benefits.

*A partnership can be defined as a working relationship with another organization that has compatible values and goals and which results in mutual benefits. It may sometimes be subject to a formal written agreement. The partnership may be formed around a single activity or event, or it may be long term.*

**Partners in 2011** include:

- City of Kirkland
- Central Houghton Neighborhood Association
- EarthCorps
- Eastside Preparatory School
- Forterra (formerly Cascade Land Conservancy)
- Friends of Kiwanis Park
- Highlands Neighborhood Association
- King Conservation District
- Kirkland Community Wildlife Habitat Team
- Market Neighborhood Association
- National Wildlife Federation
- United Way of King County
- University of Washington, including Bothell campus and Restoration Ecology Network (UW-REN) capstone program
- Washington Native Plant Society

**Green Kirkland Donors and Sponsors** provide financial, in-kind, or other type of support.

*A Sponsorship is a relationship in which the sponsor provides financial, in-kind, or other type of support for a Green Kirkland event or activity in exchange for the opportunity to be recognized.*
